

*Lancaster Summer Schools in Corpus Linguistics and
other Digital Methods 2017*

CERTIFICATE OF ATTENDANCE

This letter is to confirm that

Elizaveta Smirnova

participated in the Corpus Linguistics for Social Science summer school, organised by the Department of Linguistics and English Language at Lancaster University from 27th – 30th June 2017.

This summer school included 26 hours of instruction on the following set of topics:

- Introduction to corpus tools and techniques
- Keywords
- Understanding statistics for corpus analysis
- Collecting corpus data
- Corpora and academic discourse
- Collocational networks and discourse analysis
- Corpus-based discourse analysis
- Semantic annotation and key domains
- Corpus-based approaches to metaphor in discourse
- CLARIN: Tools in corpus linguistics

Yours faithfully,

D. Gablasova.

Dr Dana Gablasova
Chair of the Summer schools organising committee
ESRC Centre for Corpus Approaches to Social Science;
Department of Linguistics and English Language, Lancaster University, LA1 4YL, UK.
